INVITATION TO ALL RESIDENTS OF UPPER RISSINGTON: ORIGINAL HOUSES AND NEW DEVELOPMENT

Community Meeting with Buffet Snacks

Do join us on

Tuesday, 17 July 2018

Talks start at 6:45 pm, refreshments from 6:30 pm

Upper Rissington Village Hall

Your village plays an exciting and unique role in our research. Jointly with the University of Sheffield, InSinkErator and Albion Water, we are exploring how our unavoidable food scraps can make a positive impact on the environment.

We would all like to explain what we are doing, show everyone how important such work can be and let you know how you can get involved.

We really hope you can make it. Children are welcome.

Please RSVP by 7 July, so that we can estimate catering numbers.

Tel: 02077229034 or 0114 222 5416 or email: food.waste.disposers@sheffield.ac.uk

Looking forward to meeting you,

Best wishes
