

Trees

Hello and thank you for your patience. I hope you have seen the letter on the PC website page regarding the delivery of 250 whips on the 10th Jan.

These include

100 Rowan

50 Sweet Chestnut

50 Downy Birch

50 Black Poplar

For everyone who wanted a tree for their garden you can collect them from the Village Hall on the morning of Wednesday 12th Jan after 10am with the support to protect them.

To everyone that offered to help plant I will have a plan of where to put them and hope to do that the weekend of 15/16th Jan - let's hope the weather is kind and we won't have snow!

If you wanted to dedicate your tree to someone then please write it on a piece of paper and leave it with Vanessa when you collect your tree and I will put it into the book of Remembrance and Celebration.

Many thanks to everyone that offered to help it's much appreciated and it shouldn't take us long to get them all planted.
